Annual Post Holiday Decompression Party!

Grab your favorite beverage and a snack and join us at Guy and Stephaine Wettstein's house to celebrate the 2009 New Year! The party is scheduled for Saturday, January 10. The fun starts at 7:00 p.m. at 10898 SW Matzen Drive. Their phone is 503-582-9858.

Christmas Lights

Don't the new LED lights look awesome at our front entry? Be sure and thank Ted Bottemiller, Matt Wilbur, Guy Wettstein, and Martin Morris for a great job putting up the lights. We are now very "Green" with a super new holiday look.

Annual Meeting

The Board is planning to hold our annual homeowners' meeting on Monday, January 26 at 6:30 p.m. The meeting will be held at the Holman's house (11106 SW Flores Street). Please plan to attend this very important meeting.

Poo Station

The "Poo Station" has been purchased, and is now ready for use. It is located in the front of the pool green area. Please use the bag provided and take it home for disposal.

A big "Woof Woof" to Cheryl Holman for ordering the station and Jon Holman for installing it (with Cheryl supervising)!

Roofing Committee

This group is getting examples of approved roofing from other neighborhoods similar to Hazelwood. They are also developing material specifications for alternative roofs to our current "shakes". Guy Wettstein will develop a written report when all the appropriate information is obtained.

New Front Sign – "Hazelwood"

The "Hazelwood" sign at our front entrance is falling apart. Ted Bottemiller is getting quotes for a new sign. Suggested layouts will be shown at the annual meeting.

No Dumping!!!

Please remember there is no dumping of yard waste or other materials in the common green area. Please use approved disposal methods.
