Board Meeting

The HHOA Board met on July 14. Some of the issues discussed were: We need to determine who is responsible for maintaining the landscaping at our entryway. The "Z" is broken on our front entry sign. And, we really need to replace our old front entry signs with new signs. The gate to Wood Middle School is broken again and we will replace it. Our tennis net is broken. Members of the Board will address all of these areas of concern.

Do you have a complaint?

If you are aware of a violation to our CCR's (our bylaws) there is a procedure to follow. Your complaint should be submitted to the Board in writing. There is a PDF form on our Website that you can fill out. It can be submitted to the Board anonymously. The Board can then take the appropriate action. Also, the Board is reviewing a fine process for repeated violations.

Dog Poo!

Ed Russo is investigating a Poo Station for the green area next to the pool. Remember it is your responsibility to pick up your dog's poo when walking your dog on our sidewalks or in any of our common areas! Thanks for your cooperation.
