

HAZELWOOD HEADLINES

May 2007

Annual Meeting

The Hazelwood Homeowners annual meeting was held on Sat., May 19. The agenda will be covered as part of this newsletter.

Budget

So far this year we are within budget. You can contact Brenda Wilson for budget details.

Pool News

Pool clean-up is May 26 at 9:00 a.m. After cleaning we will open the pool and have a BBQ.

You will need to sign a "Hazelwood Homeowners Pool Use Agreement" to get new keys to the pool. We also need volunteers to sign the "End of Day Pool Closing Sheet". If you would rather help out with a special pool project, you can indicate that on the form.

Pool Rules

- * No children under 14 without adult supervision.
- * No dogs inside pool fence.
- * Only one guest with teens.
- * Pick-up your trash!

New Web Site

You will get a password when you receive your pool key. The address is:

"www.hazelwoodhoa.com".

The site will include a detailed homeowner's directory [you will receive a printed, condensed version], news about social events, a "Meet Your Neighbor" section, Board Meeting Minutes, and other neighborhood information. A big Thanks to Ted Bottemiller for a great job on our own Hazelwood web site!

Doggie Doo-Doo

Please remember to pick up after your dog. Our neighbors are finding "unexpected presents" in their yards and we are finding "presents" in the grassy area behind the pool. The Board is looking at installing a sign and baggies at the entrance to the pool area for use by visitors and their pet. The Board is also considering supplying a trash container for the baggies.

Social Committee

We are very happy to have a very active social committee. Stephanie Wettstein and Mary Killelea have done a great job with lots of plans for this year. These include:

- * Wine and Cheese Party
- * Easter Egg Hunt
- * Annual Pool Cleanup BBQ
- * Summer Tennis Tournament
- * Fourth of July Parade
- * Labor Day Party
- * Halloween Party
- * Thanksgiving Football Game
- * Christmas Party

Tennis Court

Has been cleaned. Please keep the dirt off!

Annual Cure for Cancer

Karen Klassy will be holding a garage sale to support this event on Saturday, June, 2. Please contact her if you have any items to donate. Her number is: 503-570-9121.
